### Additional information

#### Contents & Purpose

#### Flash cards/Mythology Card Game

The flash cards demonstrate various characters and events from Greek mythology. The creators note that the card game offers a review for content-based units using Greek myths. The teachers are advised to print two copies of the cards and paste on posterboard to make a deck of cards to play Go Fish, review the vocabulary, or play Memory.

---

#### Further comments

There are 11 sets of cards. The cards include mythological heroes and characters such as Achilles, Odysseus, Olympian gods, Daphne, Arachne.
