Additional information

Summary

It is Christmastime, and there is a box with Pandora's name on it waiting under the tree. Earl, Pandora's stuffed owl, wonders what is in the box. Pandora shakes it, trying to figure out what is inside. Finally, Earl convinces Pandora to open it before Christmas. There is a note inside telling Pandora to put the box back, or she would get nothing. The next morning, on Christmas day, Pandora opens her gift, assuming it would be empty because she had peeked, but instead, finds a blue dress. Although she is confused, she accepts the gift and realizes how important it is to have patience.

Analysis

This story takes certain elements from the myth of Pandora; a box, curiosity, and hope, and creates a similar story in a contemporary setting. Making the lesson about the dangers of curiosity and the concept that hope always remains more accessible to today's younger children.
